ERIN

Arabesque's owner & manager

Erin is no stranger to the dance + business world, so it was no surprise when she blended her two passions. A native of Gainesville and graduate from the University of Florida with her Business degree, Erin is so happy to be operating a business that she loves and believes in. Aside from being part of the team at Arabesque, Erin has been serving the dance community for over 20 years as a dancer, teacher, and choreographer. Her artistic gift and business mind make for the perfect blend here at Arabesque!

Arabesque's General Manager

Carla joined the Arabesque team with Erin for the opening in 2018 and has been the store manager for three years running. She has always been in the dance world herself, and enjoys working with dancers to help them find the perfect attire and shoe for class. Carla loves the customer service side of Arabesque and is guaranteed to make you smile as you walk through the door! Come see for yourself and visit us today in the Thornebrooke Village!
