

INFO BEFORE GOING EN POINTE

Appointments

We highly encourage all pointe shoe fittings to be made by appointment. They are not required, but expected to insure we can give you our time and expertise completely dedicated to you. Walk ins are never a guarantee to be fit during store hours.

Sewing

Sewing services are available for an additional charge with every pair of pointe shoes. We offer both satin and stretch ribbons as well as elastics.

Attire

We recommend every dancer wear tights for maximum comfort when fitting. We also suggest wearing an outfit that you would like to take a picture in once you find the perfect shoe for you!
